2026 Agenda

ABOUT US

CIHEAM is an intergovernmental organisation working towards multilateral cooperation for sustainable agrifood systems in the Mediterranean region. It is composed of 13 member countries (Albania, Algeria, Egypt, France, Greece, Italy, Lebanon, Malta, Morocco, Portugal, Spain, Tunisia and Türkiye).

CIHEAM Zaragoza is the headquarters of the organisation in Spain offering international training and promoting applied research, innovation and development in agriculture, livestock, fisheries, forestry, the environment, and natural resources in the Mediterranean.

CIHEAM Zaragoza grows by networking and collaborating with experts and organisations around the world in a multilevel approach to build capacities, transfer knowledge and foster scientific diplomacy.
